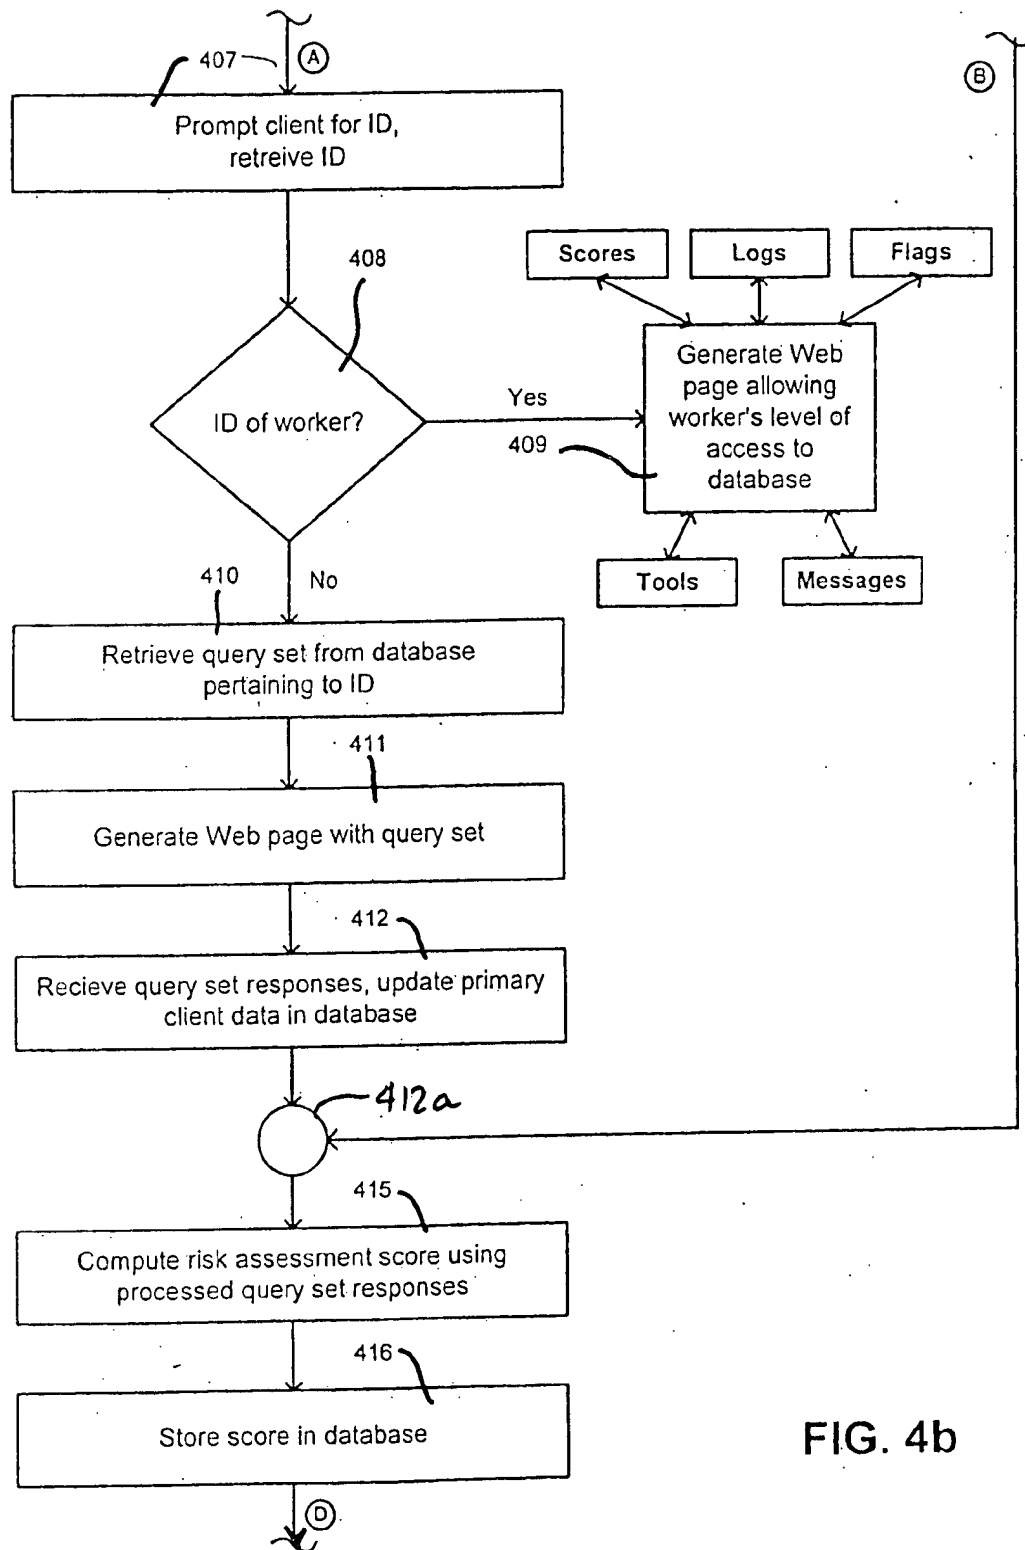

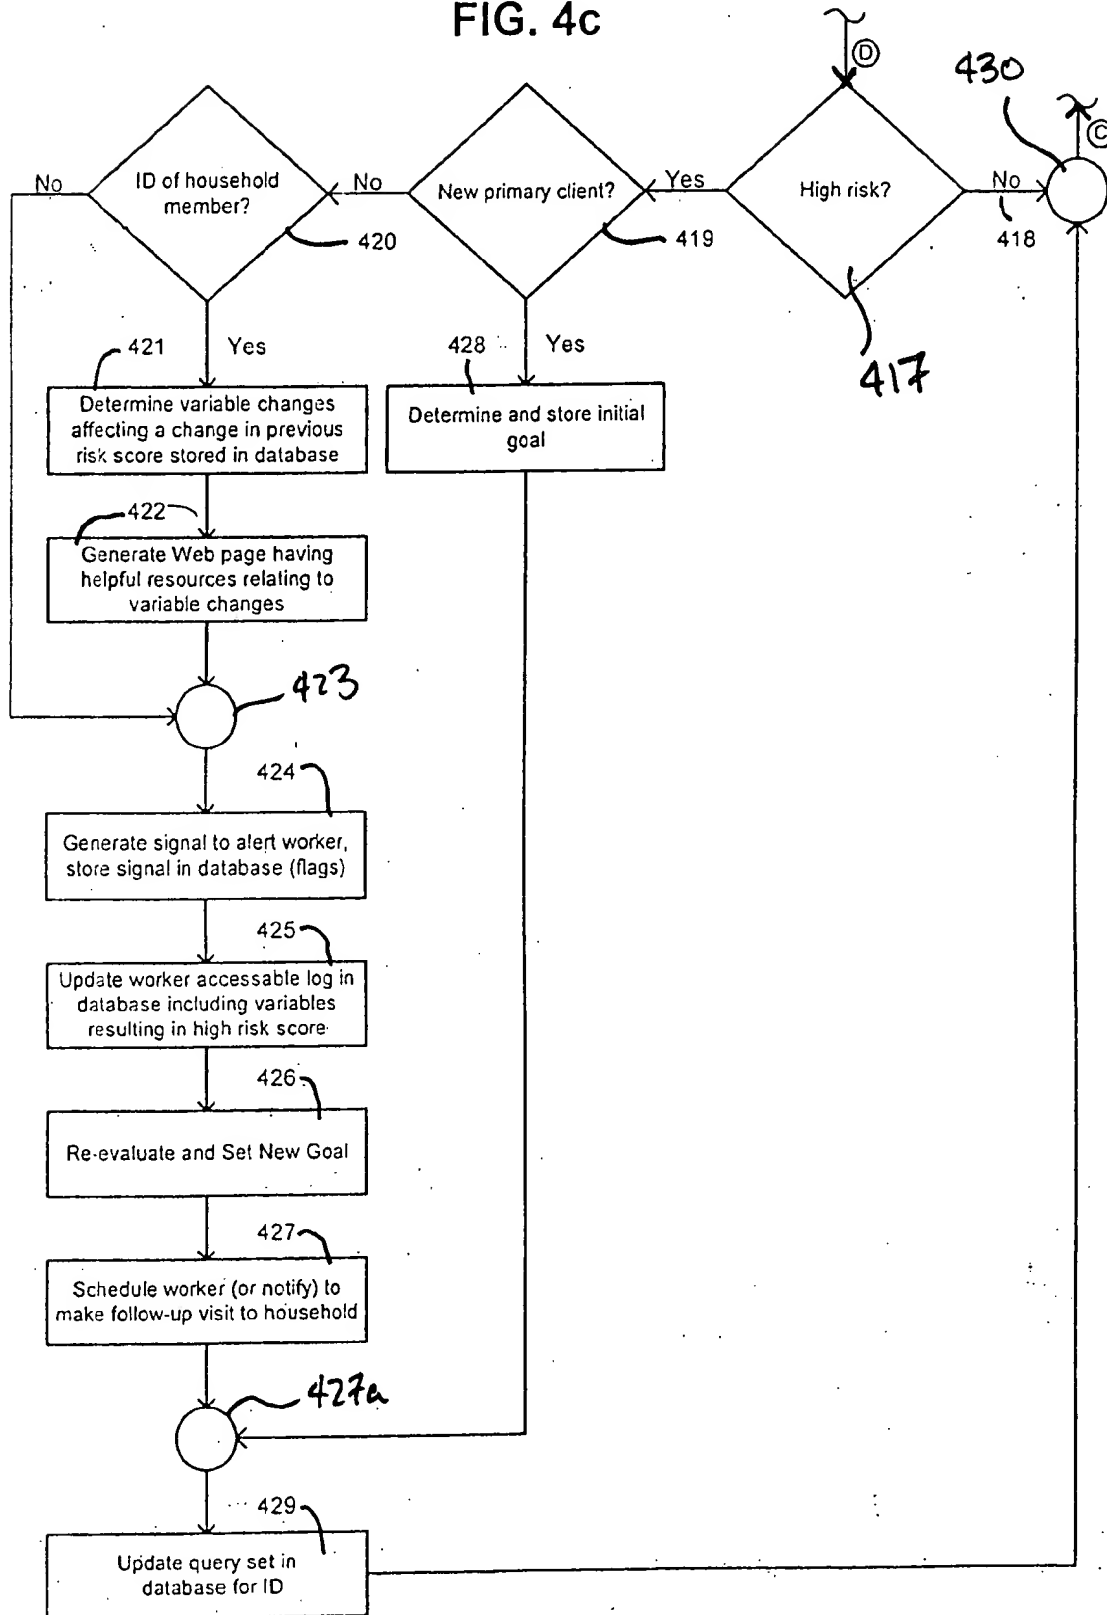

FIG. 4c

The image is a screenshot of a web browser window titled "QIDM Risk Manager - Microsoft Internet Explorer". The address bar shows "http://www.qidm.com". The main content area is titled "Daily Questions". Below the title is a horizontal line. Below the line is the question "How often do you feel unsafe in your foster home?". To the right of the question is a handwritten annotation "502" with an arrow pointing to the question. Below the question is a horizontal line with radio buttons. The first radio button is labeled "Never" and the last is labeled "Always". There are seven radio buttons in total. A handwritten annotation "504" with an arrow points to the "Always" radio button. Below the radio buttons is another horizontal line. Below that is the text "Please Explain:". Below the text is a large rectangular text input area. Below the input area is another horizontal line. At the bottom of the form is a "Submit" button. Below the button is a navigation bar with links: "Daily Questions | Resources | Message Center | Helpful Links".
